RE: **Required Occurrence Classification Form Not Received As Of May 31, 2006**

Commerce #:
Occurrence ID:

DNR BRRTS #:

Dear Claimant:

The Wisconsin Department of Commerce (Commerce) is informing you that the occurrence classification form that is required in order to maintain eligibility for this occurrence has not been received by the department. The deadline for submittal of a completed form was May 31, 2006. *As a result, the Department may not reimburse costs for any work performed between May 1, 2006 and the date the form is received, per Comm 47.325(4)(b).*

In order for costs to be reimbursed again in the future, you must complete and submit an occurrence classification form; a copy is enclosed for your use. Upon receipt of the completed form by Commerce, reimbursement of costs for eligible work will once again be available beginning the date the Department receives the form; reimbursement *is not* retroactive to May 1, 2006.

If you have any questions please contact me at (608) 264-8765. Thank you for your continuing efforts to protect Wisconsin's environment.

Sincerely,

Renee' L. Dickey
